

August 22, 2008

Dear Master Boon Yap,

I wanted to take the time to say thank you for the wonderful Feng Shui presentation that you brought to our August Program Calendar.

As you could see, the evening brought out an extraordinary number of members and guests that left us with standing room only. From the response of members in the last few days and by the conversations that have followed, I can tell that everyone in attendance felt inspired and appreciative with the wealth of knowledge that you shared.

From an event planning stand point, I have to say that your presentation and your abilities to connect the audience were superlative. This is rare in many of the presenters who come to share their passion with members of the City Club.

In closing I would like to ask that you please keep me on your email list, and I hope that we can have the honor of hosting more presentations and workshops with you in the future.

I wish the best for your continued success and prosperity.

Sincerely,

Douglas Scheffer, General Manager
Highland City Club
